A Note From Our President, Annabelle

► The Singles Day at Reaching Hearts International was a real treat. With their group and Chesapeake singles, we had 36 come to the potluck and 30 stayed by for afternoon activities. A special thanks to the RHI church for hosting our event and to Pat Klosky and Shally John for organizing this for us.

► Our Spring Retreat is: April 21-23, 2006. The flyer with application form is attached. We need to receive the form back by April 13 so that the camp can order the food. If you have any special needs, do let us know. If you have a bicycle, please bring it. We are looking for musical talent, do you play an instrument, sing or play the piano. Please let me know. I look forward to meeting you.

► Good news from Laura McIntyre. Her mother is currently in remission. She will be going back for a PET scan, which will determine if any cancer cells are present, in May. She seems to be getting stronger everyday, and her spirits are certainly better.

A little wisdom and encouragement
from Forest:

“A person doesn’t need a change of scenery in order to experience growth – He needs a change in vision.”
