Adventist Contact:

While Adventist Singles Ministries is not a dating club but a ministry, we are a resource offering information to singles. Many singles have limited contact with people who might be potential dates and eventually marriage partners. I was told by the leader of Adventist Contact that they are looking for more people to participate. The more people that participate, the better the chances people have of finding the right person. For information on Adventist Contact go to: www.adventistcontact.com. Successfully Matching Single Adventists Since 1974. ADVENTIST CONTACT is the original dating ministry for Adventists. We endeavor to be the very BEST! Will YOU be our next success story? Join NOW! See what's FREE! Tell our friends.
