Cruises 	<p>Hello Everyone:</p> <p>We had a good retreat, there were 54 people who ate lunch in the cafeteria, and by supper time there were still about ten more people than we had last year. We had a number of new people, a group from Philadelphia, and one or two people from Maryland who had not come before.</p> <p>As advertised, Jan Yakush was the speaker, and she had interesting presentations for the group. An interesting presentation was made in Sabbath School by Annabelle Randall and Dirci Borelli Marquart. They told of their recent mission trip to Brazil and what they did when they got there. An offering was taken up and given to Dirci Borelli Marquart of MissionServe. More than \$200 was collected.</p> <p>Forest Randall had a lecture during the Sabbath School lesson time entitled, "The Religion of Babylon." It was a lecture on Daniel, and was appreciated by those attending the retreat.</p> <p>We want to thank Jan Yakush for the presentations that she made for us at the retreat.</p> <p>I want to thank Annabelle and Forest for their help and support in planning the retreat</p> <p>Our next event will be a potluck picnic, June 19, 2010, at the Potomac Campmeeting in New Market VA. Please plan to come and bring picnic foods. There will be no facilities for heating or re Fridgeration. We will not be able to use the home of Cindy Malcolm, because she will be away at campmeeting time. Please bring lawn chairs and folding tables if you have them.</p> <p>Fred Thomas</p>

Adventist Contact:

While Adventist Singles Ministries is not a dating club but a ministry, we are a resource offering information to singles. Many singles have limited contact with people who might be potential dates and eventually marriage partners.

I was told by the leader of Adventist Contact that they are looking for more people to participate. The more people that participate, the better the chances people have of finding the right person.
