We spent four days at the beach in Galveston Texas, as well as some time in Burleson Texas. Now I am back at work.</p> <p>Texas is very dry right now and badly in need of rain. Some people prayed for rain and on a Friday night some rain fell in answer to the prayers.</p> <p>On the subject of prayers, we really need to pray for our country and its leaders right now that God will give them wisdom to make the right decisions. Also let's pray for the situation in the Middle East that God will work out His will.</p> <p>We are only about two weeks away from our retreat at Camp Mt. Aetna on October 7-9, 2011. We have two guest speakers from Michigan who are going to speak on issues that concern single people. Also, their daughter will be there to do signing in American Sign Language. Please plan on participating in a Talent Show on the Saturday night of the retreat. Encourage any singles that you know to come also.</p> <p>I have reduced the fees for the retreat, which I hope will enable more people to attend. Also, I have sent e-mail messages to some of the Conferences in states surrounding the Chesapeake Conference, and at least one or two people have responded.</p> <p>If you are unable to get your money in before the deadline, just let me know that you are coming by phone or e-mail, and you can pay when you get there.</p> <p>Fred Thomas</p>
